

**Place Group UK
Occupational Health & Safety Policy
OHSAS 18001: 2007**

Place Group UK is aware that operating its business has health & safety risks. It is therefore essential that all parties concerned with the operation of the business take appropriate steps to protect personnel from harm.

To this end we at Place Group UK commit to the following statements:

- To operate our business with regard to the health & safety of all persons affected by our operations in order to prevent harm.
- To use appropriate safety equipment and work to approved systems when undertaking our work.
- To integrate health & safety issues into our decision making.
- To continually look for ways to improve our health & safety systems.
- To educate and train our employees and clients in safe working practices.
- To ensure compliance with relevant health & safety legislation and other requirements related to our operations.
- To set and achieve our health & safety objectives and targets.
